Hi Kevin-

I don't know if the [REDACTED] trial scheduled for November 22nd has officially been moved or not, but I wanted to let you know that I've talked with the ADA in my Wareham case also scheduled for the 22nd and she has indicated that she wants me on call (yes, with a 2.5 hour drive) that day, so I doubt she would need me before 2. If the Finegan trial is still scheduled, I could probably be in Springfield as long as I could be out by 1 (and I'd let the other ADA know that if she does need me, I may not be able to get there until a little after 3 or so). Thanks.

If you need me to go further out, just let me know. Also, my schedule is accurate as of now - it is not uncommon for me to get a few new summonses per week, so the earlier I know a date the more likely it will be that I am available. Thanks.
